

## **PORTFOLIO**

My name is Wasera Paul,

I am a third-year student of Information Technology (Diploma) that is to graduate this December and a self-taught, passionate Graphics Designer with a 3 year experience in the field.

I am well conversant with Adobe Photoshop CC and Corel Draw X7. My expertise is to create and design bringing that aesthetic value in every project I work on; from Business cards, posters, event cards and so much more.

I am also knowledgeable in areas such as hardware and software maintenance, installation, troubleshooting and repairing.

## **ABOUT**

Born in 2002, I have always had a sense of attraction towards Technology from a very young age. The zeal grew further with the advancement in technology where I got an exposure to playing mobile and PC games. Joining campus, I decided to create a graphics design brand which was initially called Nzisa Graphix and now the current day [Humble Nzisa Creations](#).
